

Wyoming County ARES Preamble

Calling the Wyoming County ARES Net, Calling the Wyoming County ARES Net. This is (your call), your Net Control for this session. My name is _____ and I am located in (town)_____ NY.

Is there any **Emergency or Priority Traffic** on frequency, please call (your call)?
(WAIT ABOUT 10 SECONDS)

The Wyoming County ARES Net is a directed net, please do not break the net unless you have emergency or priority traffic. This net meets on Saturdays at noon on the 147.315 repeater and linked with the 443.625 repeater, with an alternate frequency of 147.105, for the purpose of training in emergency and priority traffic handling, and activation during an emergency. And all those repeaters use a PL tone of 141.3. Do we have a volunteer from Wyoming County ARES on frequency who can serve as an Alternate Net Control? If so, please call (your call).
(alternate will copy down all check-ins too)

When checking in give your call, your location, and if outside of Wyoming County give the county you are involved with ARES, as well as your position with ARES. Mobile Wyoming County ARES members on frequency, please call (your call).

All other Wyoming County ARES members on frequency, please call (your call).

All others from any other ARES groups, please call (your call).

Any additional stations on frequency for the Wyoming County ARES Net, please call (your call).

(DURING SIMPLEX ASK FOR RELAYS AT THIS POINT)

Any additional stations on frequency for the Wyoming County ARES Net, please call (your call).

(DURING SIMPLEX ASK FOR RELAYS AT THIS POINT)

All stations please prepare to copy test message.

(READ TRAINING MESSAGE)

Are there any stations that need fills?

(go through the check-in list asking all stations for comments or questions)

Final call, any stations wishing to check in to the Wyoming County ARES Net, please call (your call).

This concludes this session of the Wyoming County ARES Net. I would like to thank all stations for their participation in this net. Thank you, Wyoming County and KC2QNX for use of this repeater. *(If on 147.105-Thank you, N2FQN for the use of this repeater.)*

This net meets again next Saturday at noon. This is (your call) returning this frequency to regular Amateur usage.
